

Sistema Toronto 2019 Interprovincial Music Camp: Meet the Campers!

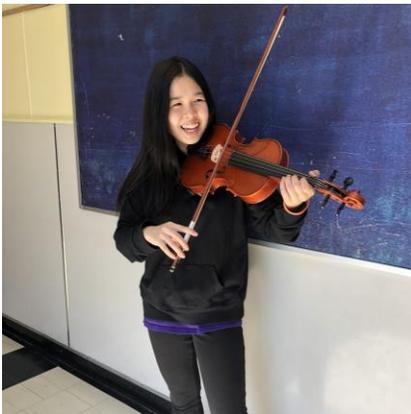

This coming Saturday, a select group of Sistema Toronto students head off to the Interprovincial Music Camp and the excitement is building. The students selected for IMC this summer are all incredibly deserving and highly accomplished young people, all of whom would never otherwise have the opportunity to attend a camp of this caliber. Attending a high-level music camp can be a transformational experience for young musicians, opening hearts and minds to inspiration and establishing new professional connections for fledgling careers. These students have worked hard at their musicianship skills year after year at Sistema, and are admired leaders among their Sistema peers. We are thrilled to be able to provide this opportunity to advance these students' skills and give them a real camp adventure for the first time, and we're extremely grateful to everyone who is able to contribute to help fund this important artistic experience.

Our happy campers are:

Alex from Sistema Scarborough has been playing the violin for 4 years now and it's his favourite hobby. His teachers say he is always ready to learn and evolve with his instrument. He really wants to go to IMC to become a better violinist.

Ayden from Sistema Scarborough shows tremendous determination and enthusiasm towards his playing and is a very talented cellist. He also excels at sports and likes to meet new people. Ayden wants to develop his skills out in nature with world-class educators and is looking forward to camp.

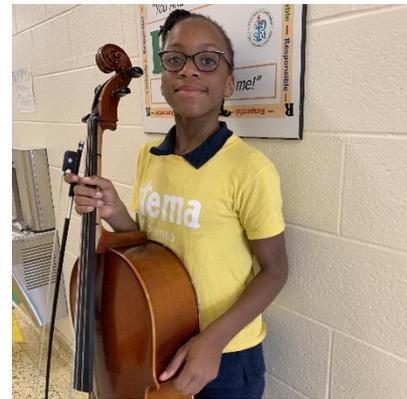

Camellia from Sistema Yorkwoods is a talented violinist, an active sports player and a leader among her peers. Camellia is one of this year's Sistema graduates, and she's super excited to finish her time in the program by attending the Interprovincial Music Camp (IMC) this summer.

Celina from Sistema Yorkwoods played the violin for 5 years before moving on to the viola. She is extremely talented and can't wait to go to the Interprovincial Music Camp this summer (IMC) so she can improve her skills while exploring nature with her friends.

Desiree is part of our Sistema Scarborough program and is a talented viola player and singer. She shows a great level of self-motivation and ambition with her playing, and she's looking forward to going to the Interprovincial Music Camp so she can practice by the campfire.

Ecah from Sistema Scarborough is an excellent cellist and loves to learn. She won a Sistema Spirit Award this year for her passion and enthusiasm for playing and her teamwork in class, and she can't wait to go to IMC this summer.

Jonathan from Sistema Scarborough was chosen to attend the Interprovincial Music Camp (IMC) because he's musically talented, a fast learner and a very polite student - he's always the first one to say hello to teachers and staff!

Kahliya has been playing the viola for 7 years and always has a great attitude in class. She is one of this year's graduates and she's excited to end her time with Sistema learning new music at the Interprovincial Music Camp.

Kishaun from Sistema Parkdale is a skilled cellist, singer, and basketball player, and we are so proud that he'll be joining the strings program at Etobicoke School of the Arts this fall. Attending a high-level music camp can be a transformational experience for young musicians, and Kishaun is so deserving.

Sistema Parkdale's Matthew has a fun-loving attitude that always makes us smile! He's also a very talented violinist who picks up new music, techniques and ideas at an incredible pace. He's super excited to go to the Interprovincial Music Camp this summer to learn some new skills.

This is Noah and he attends Sistema Parkdale with his brother Matthew. He's a gifted violinist with a winning personality and he can't wait to attend the Interprovincial Music Camp (IMC) for the first time this summer. We're thrilled to be able to provide this opportunity to advance his skills and give him a real camp adventure.

Parisch from Sistema Scarborough is a truly bright and engaged cello student who shows great passion for learning, and she's so excited to spend a week at the Interprovincial Music Camp (IMC) exploring nature and meeting musically minded friends.

Sarah is a hardworking multi-instrumentalist who plays the violin, piano, and harp. She's an extremely compassionate young person and was one of this year's Spirit Award winners. She is also one of this year's grads, and it comes as no surprise to us that she will be joining the strings program at Etobicoke School of the Arts this Fall. But before starting high school, Sarah will be attending the Interprovincial Music Camp with us for the first time (and she's very excited!).

Say hello to Shauncia from Sistema Yorkwoods! She's been at Sistema for 6 years and is an extremely talented violinist who displays great levels of kindness and empathy towards her peers. She knows she's still got a lot to learn, and that's why she's so excited to go to the Interprovincial Music Camp (IMC) this summer to learn new skills from expert musicians.

Our friend Viviana from Sistema Yorkwoods is an expert violinist and violist who displays great competency in both her instrument and the music that she is required to learn and play. She has also taken on responsibility as section leader in the orchestra and it's been great to watch her grow into this position. Viviana is excited to go to IMC to make friends who share her musical passion, and we can't wait to hear all about her time.

Yeshe from Sistema Parkdale is one of our graduates and is heading off to camp in a few weeks. On top of being a great violinist, Yeshe is a friend to everyone around her and has consistently shown her kindness and ability to lead others throughout her time at Sistema.

Cellist Zidane from Sistema Yorkwoods is one of our 18 lucky campers, and he can't wait to go to summer camp for the first time! He's looking forward to learning new music and exploring nature during his trip to IMC.

Keep an eye on our social media (@SistemaToronto) from August 24th – September 1st to see all of the action at camp!
